#3412-DIR

PURELL® FOODSERVICE SURFACE SANITIZER

As of 7/22/2016

PURELL Foodservice Surface Sanitizer is a one-step sanitizer and cleaner that dissipates quickly with no streaks or sticky residue. The multisurface formulation sanitizes and cleans everywhere you need it, with no rinse required. And the light, fragrance-free scent gives you the peace of mind to use around patrons.

PURELL TOUCHABLE® Technology means:

- No rinse required on food contact surfaces
- No handwashing, gloves or safety glasses required
- No harsh fumes
