FIRST AID KITS

featuring
**Instant Access
Panel**
for treating common injuries

Perfect for the majority of institutional, office and workplace settings, CARE4™ First Aid Kits by DayMark are all OSHA compliant, and the standard and large sizes also meet ANSI/ISEA Z308.1-2015 standards for the most common workplace injuries, including minor burns, cuts and abrasions.

CARE4™ STANDARD FIRST AID KIT

**35
or Fewer
Employees**

Care4™ First Aid for Kitchens & Breakrooms

Size: 18" x 9" x 4.5"

Standard Kit IT118412

Wall-mountable for ease of access, the CARE4™ Standard First Aid Kit, ideal for employee kitchens and breakrooms, features an innovative 'door-in-door' compartment that provides instant access to basic supplies for common cuts and scrapes, as well as minor burns and eye injuries*. The kits' internal compartments also feature theft-detering locking tabs and a built-in planogram, ensuring first aid supplies stay in place and properly organized. Convenient refill packages are available in seven bundles, each of which contains multiple items to reduce the hassle of maintaining individual SKUs.
